

Program Coordinator Requirements:

General Requirements:

**Note, This is a dual-employed position, between FSU and Lee Health. The applicant selected for the position will be a full-time FSU employee, as well as a per-diem contractor employee with Lee Health. Thus, noted below are additional hiring requirements that Lee Health requires, in addition to those required by FSU.*

Pre-employment:

- Lee Health Talent Management Application (link to be provided during the preboarding process)
- National Criminal Background Check
- Employee Health Appointment including Drug Screen and Immunizations/Titers

Employment Onboarding:

- System Orientation which will be the 1st working day (On-Site)
